HERE'S A COMPREHENSIVE BREAKDOWN FOR ACTIVITIES HELD AT THE CAMP.

Wildlife Activities

Nature Trails

Nature trails offer a guided exploration of the surrounding wilderness, providing campers with an opportunity to immerse themselves in the beauty of nature and learn about the local ecosystem.

Guided by experienced naturalists, children learn to identify different plant and animal species, gaining insight into their unique characteristics and ecological roles.

Bird Watching

Bird watching involves observing and identifying bird species in their natural habitats, providing campers with an opportunity to connect with nature and learn about avian biodiversity.

Fun involved in the activity:

Children can experience the excitement of spotting colorful birds, listening to their songs, and witnessing their unique behaviors.

WILDLIFE TRACKING

Wildlife tracking involves following animal tracks and signs to learn about the presence and behavior of local wildlife, offering campers an opportunity to develop tracking skills and connect with nature.

Children can experience the thrill of detective work as they search for animal tracks, scat, and other signs left behind by wildlife.

o Tracking expeditions offer a sense of adventure and discovery,

NOCTURNAL WILDLIFE WATCH

Nocturnal wildlife walks offer a unique opportunity to explore the forest at night, observing nocturnal animals and experiencing the sights and sounds of the nighttime wilderness.

Children can experience the thrill of adventure as they venture into the darkness, listening for the calls of owls, bats, flying squirrels, Deer and other nocturnal creatures.

AQUATIC EXPLORATIONS:

Aquatic explorations involve exploring freshwater streams, providing campers with an opportunity to discover the diversity of aquatic life and learn about aquatic habitats.

.

Fun involved in the activity:

Children can enjoy the excitement of wading into shallow waters, searching for aquatic creatures such as frogs, tadpoles, aquatic insects and fishes

JUNGLE SAFARI:

Jungle safari involves exploring the wilderness in search of wildlife and adventure.

Children can experience the excitement of embarking on a safari adventure, traveling through rugged terrain and encountering wildlife in their natural habitats.

ELEPHANT INTERACTION

Elephant interaction camp involves engaging with rescued elephants in a responsible and ethical manner, providing campers with an opportunity to learn about these majestic creatures and their conservation.

FUN ACTIVITIES

SKY WATCHING

Sky watching with a telescope at FrolicBoonies Nature Camp ignites children's curiosity as they explore the vast universe, spotting distant planets, twinkling stars, and even glimpses of celestial phenomena, fostering a lifelong love for astronomy.

CHOCOLATE MAKING

Delve into the sweet world of chocolate making at FrolicBoonies, where children engage in hands-on experiences crafting delectable treats, learning the art of tempering, molding, and decorating, igniting their creativity and satisfying their sweet tooth in a deliciously fun adventure

ART OUT OF WASTE

Transforming waste into wonder, FrolicBoonies' Art out of Waste activity empowers children to repurpose everyday items into stunning creations, sparking their imagination while instilling valuable lessons about sustainability and environmental stewardship.

FUN CARNIVAL

Immerse in the vibrant atmosphere of FrolicBoonies' Fun Carnival, where laughter fills the air as children engage in thrilling games, and captivating performances, creating unforgettable memories of joy and excitement.

SPLASH IN THE STREAM

Beat the heat and embrace the refreshing fun of FrolicBoonies' Splash in Stream activity, where children splash and play amidst the pristine waters of nature, fostering a deep appreciation for the outdoors while cooling off in the summer sun.

BARBECUE CAMPFIRE

Gather around the crackling flames of FrolicBoonies' barbecue and campfire, where children bond over delicious grilled treats, share stories under the starlit sky, and forge lasting friendships amidst the warmth and glow of the fire, creating cherished moments

OUTDOOR COOKING

Outdoor cooking with firewood adds an exciting element to the adventure, allowing young campers to learn essential survival skills while bonding over the primal art of cooking. Under the guidance of experienced instructors, children explore the joys of cooking amidst nature's embrace, fostering a deeper connection to the wilderness and instilling a sense of self-reliance.

About Mudumalai Campsite

Nestled within the Mudumalai Tiger Reserve, Frolic Boonies Mudumalai campsite offers a breathtaking setting for children to immerse themselves in nature. The picturesque campus teems with wildlife, and a serene stream adjoining the campus enhances opportunities for maximum wildlife exploration, allowing young campers to connect intimately with the natural world and foster a deep appreciation for its beauty and biodiversity.

Accommodation Facilities

At FrolicBoonies Mudumalai Camp, accommodation is designed to immerse children in the rustic charm of nature while ensuring comfort and safety. Swiss tents provide a cozy retreat, furnished with comfortable bedding, allowing campers to rest peacefully amidst the serene surroundings. Bamboo huts offer a unique experience, blending traditional craftsmanship with modern amenities, offering a sustainable and eco-friendly shelter for campers to unwind after a day of adventure.

Food At Frolic Boonies

At Frolic Boonies Wildlife Camp for children, every meal is a delightful buffet of healthy and hygienic dishes expertly prepared by our camp chef, ensuring campers are nourished for their adventures. Bananas and juice are readily available at all times to satisfy sudden hunger pangs and thirst, providing campers with quick energy boosts throughout the day. To stay hydrated, campers can refill their water bottles with mineral water available at the dining hall, while in the evenings, milk and snacks offer a comforting treat, with early morning milk and biscuits providing a wholesome start to each day's adventures.

Transport Arrangements

For the convenience of campers, transportation to and from Frolic Boonies camp sites is arranged from Bangalore, Chennai, and Coimbatore, utilizing Vovlo buses for a comfortable journey.

Experienced camp counselors accompany the campers, ensuring their safety and well-being throughout the trip, while also providing supervision and support during their wilderness adventures.

Safety Aspects

Safety is the key at Frolic Boonies, backed by our 15 years of experience without any unfortunate incidents. Our commitment to safety includes first aid readily available at the campsite, with doctor and hospital facilities within a 6-kilometer radius for immediate medical attention if needed.

Highly experienced naturalists accompany children during nature activities, ensuring their safety at all times. With an optimal counselor-to-camper ratio, we prioritize maximum monitoring to guarantee the well-being of every child, providing parents with peace of mind knowing their children are in safe hands throughout their adventure.

Organizers At FrolicBoonies

Frolic Boonies' founders, Bala and Nivedita, are not only trained naturalists but also passionate wildlife enthusiasts with over 15 years of experience organizing wildlife camps. They firmly believe that exposing children to wildlife from a young age instills a love and appreciation for nature, cultivating future conservationists. It was this vision that led to the establishment of Frolic Boonies in 2008, providing children with the opportunity to explore the wonders of wildlife and fostering a deeper connection to the natural world.
